DELAC Items from May 18, 2022 meeting

LCAP Goals were discussed. Our 3 main goals are Modern Learning, Social Emotional Learning, and Academics. We want to improve academics in math and reading. For LCAP Goal #2, we have allocated money to improve student attendance, school safety, provide services to our at-risk students and English learners (EL Facilitator), provide counseling services and materials to foster health and wellness, and to incorporate a transition plan for preschool children. Money is allocated to give teachers time to meet and plan curriculum as a team. \$90,000 have been allocated for the safety of our school. Money has been allocated to hire an instructional coach. Money is also allocated to Parent University, curriculum like American Reading Company and support teachers.
